

ALLX CLUB

WELCOME TO THE CLUB!

Sunday, April 19, 2009

This is John from AllXClub, just checking in.
I'm your enroller and I'm available to help you.
In fact, the more successful you are ... the more money I make!

My business continues to build really fast (I have hundreds of people in my AllXClub group), plus I have a conventional business, so I only do AllXClub part time ... but I am available almost any time Monday - Friday from 11 AM - 7 PM Eastern with 24 hours notice.

Please respond via email if you want to share some information about yourself ... most importantly, what you want to accomplish in your business. The more you tell me, the more I can help you. If you want me to call you, please include your phone number.

It is important to link your goals with your activities. If you treat it like a business you will make money ... if you treat it like a hobby it will cost you money. That means you are going to have to invest some effort, time and/or money to get results.

Did you have a chance to view/listen to the Quick Start Training yet?
Go to HYPERLINK "<http://www.allxclub.com/member>" and login. The 6-page guide and 23-minute audio file are midway down on the left-hand side of the Home Page. This is definitely the best place to get a fast overview of what to do first.

The focus is to enroll 3 people this month. (People you know - through personal contact ... or people you don't know - through advertising)

You bring three assets to your business:

1. Your Contacts

(cell phone list, email list - this is the best place to start)

2. Your Time

(check out the Free Online Marketing Guide on Member Center Home Page)

3. Your Money

(there are many great places to advertise ... and you can print business cards, purchase email lists etc.)

Once you enroll your first 3 ... you are in profit ... and everything will fall into place.

I continue to have success with my Craig's List ad (I will be sending you a bunch of things like advertising copy and places to place free ads when you reply) I place the ad under "Sales Jobs" with the heading "Internet Sales". It costs \$25 per market and it has been well worth it! Some smaller markets are FREE (go under the state name to find smaller markets).

Also, we have a Training call every Monday night at 9 PM Eastern/7 PM Mountain.

Plus, we have an Hourly Money Call every hour on the hour
(712) 338-8105
2009#

This number is also active for now so you may want to use it. It's the 24hr Opportunity Call
Dial: 888.317.5859.

These two call lines are perfect to introduce your guests/prospects to AllXClub ... plus it is a great way for you to quickly learn "the pitch".

Make it happen! (I'm here to help)

Thank you
